

Parents and Wrestlers:

The Dallastown Wrestling Booster Club in conjunction with the coaching staff have developed a new program designed to assist wrestlers in grades 9-12 to meet their individual goals in an affordable manner. The program which is titled the “Wrestler Development Program” provides financial assistance for individuals to take part in out of season developmental camps and competitions. Parents of wrestlers will have the opportunity to request financial assistance to defray the costs to participate in the following 2009 events:

<u>Event</u>	<u>Reimbursement Amount</u>
NHSCA Nationals-Va. Beach- March 31-April 5	\$200
MAWA Eastern Nationals	\$100
Intensity Duals-Dallastown –May 9	\$25
NHSCA Duals-Salisbury-May 23-26	\$125
Disney Duals-June	\$200

Many of the above events involve considerable travel expenses and are part of a qualifying or select team event. It is our goal to assist wrestlers and their families to take part in these opportunities as they arise. Camp forms are available from Coach Gable or on line at www.keystonewrestlingcamp.com
