

Transportation

In rain or in snow, sunshine or darkness you can find yellow school buses rumbling throughout the district between the months of September and June. The school district contracts with Durham School Services, to provide complete busing services to our children.

NEWS:

Please note that our school district has made some changes to our bus assignments for next school year. Effective with the start of the 2011-12 school year, we will only allow students to be assigned to one AM bus and one PM bus for the duration of the school year (there is an exception for students that relocate within the district from one home to another, in this instance they would be allowed to be assigned a new stop based on their new address). **Temporary (one-time) bus passes will only be allowed in the instance of an extreme emergency, and will be reviewed on a case-by-case basis.** Please contact Kathy Caffrey or Kristi Viands to request a one-time emergency bus pass (see phone numbers below).

If you believe that your stop was missed or that the bus may be running late in the morning, please contact the dispatcher at the Bus Terminal Office at 717-244-0813 between 6:30 AM and 8:30 AM.
