Add Enrichment

Please use this section to record activities in which you have participated in the past four years. Activities should be UNRELATED to a school activity and non-school sponsored. Activities must be validated by a parent, guardian, appropriate leader or supervisor. Individual activity descriptions should be entered, along with the total hours.

Examples of activities that would qualify in this section: Scouts, private instruction for skill enrichment purposes, sports clubs, and other NON-SCHOOL related activities. Simple attendance is not sufficient for an activity to be counted (i.e. regular church attendance would not be counted, however serving as a volunteer youth leader would be a qualified activity. Leisure hobbies are not to be considered (e.g. knitting, coin collecting), as well as routine exercise activities (ex: jogging, aerobics, weight lifting).

**** When calculating hours, activities should not exceed 8 hours a day (i.e. 5 day mission trip would be counted as 40 hours, not 120 hours).**
