*For complete transparency, the Building & Capital Projects and Finance Committees are both now operating as a committee-of-the-whole, so extensive, full-board discussions will take place at these meetings, in advance of any action that could follow at the next Business/Board Meeting. The public is always welcome to attend the informational committee meetings that typically include extensive presentations from Administration and others. Opportunities for public comment are indicated within public agendas on our online agenda-management website: [AgendaManager](#).

High Holiday Notes: Our routine meeting schedule will not conflict with Rosh Hashanah (9/25-27), Yom Kippur (10/4-5), and Maundy Thursday (4/6).
